DIMENSION W CHAPTER 25

STORY AND ART BY: IWAHARA YUJI

TRANSLATOR: GUACAMOLE
PROOFREADER: ASKANI
EDITOR: KUROTO
QCER: ASKANI, ASUNA
RAW PROVIDER: PRIVATE

File.25
Origin of the Universe

THE TRUE FORM OF THIS WORLD... AND THE WAY TO STOP IT.

THINK CARE-FULLY.

AN ACCURATE, VIRTUAL COPY OF THE REAL WORLD.

can I handle this brat?

Say,

THIS IS THE YASOGAMI MEMORY THAT WAS SEALED INSIDE DIMENSION W 21 YEARS AGO...

COULD IT BE...

Hehe...

BE-CAUSE IT'S A COPY,

I'll let her suffer like us, though she might not die.

HE'S THE ONE WHO KILLED SASAKI SHIJYUUROU?

What-ever you want.

IT HAS NO RELATION TO LIFE AND DEATH THAT HAPPENED AFTERWARDS. EVERYONE EXISTS HERE.

S2S S2Smanga.com

... AND HAGE-YAMA-SAN...

WHO SAID HE WAS AN OLD FRIEND OF SASAKI-SAN'S -- HIS NAME WASN'T IN THE RECORDS EITHER...

... WHY AREN'T THEY THERE?

石井 太郎

木一 芳里

森永

富士 剛太

EVEN IF THEY'RE USING FAKE NAMES, THERE SHOULD STILL BE A CORRESPOND-ING PAIR OF SIBLINGS IN THE RECORDS.

HIS AND HIS SISTER'S NAMES WEREN'T IN THE RECORDS OF THE ACCIDENT FROM 21 YEARS AGO.

SHI JYUU-ROU-SAN!

IF THEY WERE CLOSE TO THE PERPETRATORS THEN MAYBE THERE ARE STILL SOME RECORDS LEFT...

UNDER-AGE...

RECORDS ...

Kamiki Shiro.

.....

BE-FORE YOU GO...

PLEASE TELL ME YOUR REAL NAME BEFORE YOU GO!

KYAA!

KAMIKI...

He's already mine.

You...

Don't you dare just say his name like that.

You just want to seduce him with your looks as well.

All you have is a pretty face.

Unforgivable.

S2S
S2Smanga.com

I'm gonna cut your face up and turn you into an ugly monster.

Just like that woman.

I HAVE TO RECOVER THE LINK QUICKLY...

AND RETURN TO MY BODY IN THE REAL WORLD...

QUICKLY...

TELL KYOMA-SAN THE TRUTHS THAT I HAVE LEARNED HERE!

SO I CAN...

S2Sespanola.com

LET'S HEAD STRAIGHT IN.

IT'S FINE.

THE FOG'S COMING OVER HERE, BURU!

YOU'RE JOKING.

HOLD ON TIGHT.

THAT IS ONE OF THE MOST COMMONLY ASKED QUESTIONS.

WHAT IS THIS SO-CALLED DIMENSION W?

FOUR YEARS AGO
YURIZAKI SHIDOU'S LECTURE HALL

DOES IT REALLY EVEN EXIST?

NT ENERGY

百合崎士室

JUST WHERE IS THIS DIMEN-SION W?

WHAT KIND OF THINGS ARE THERE?

S2S S2Smanga.com

IT HAS ALREADY BEEN PROVEN TO NOT EXIST IN DIMEN-SION W.

MATTER IS SOMETHING THAT IS CHAR-ACTERISTIC OF THIS DIMENSION WE ARE IN.

THE THEORY THAT THERE ARE MANY WORLDS WHICH DIFFER SLIGHTLY FROM AND EXIST PARALLEL TO EACH OTHER IS INCORRECT.

THIS IS SOME-THING THAT IS OFTEN MISUNDER-STOOD.

THAT IS "DIMENSION W".

JUST LIKE OBJECTS EXISTING IN THE QUANTUM STATE, UNTIL IT TOUCHES "THAT THING", IT WILL CONTINUE TO BE IN A CONDITION WHERE IT'S BOTH EXISTING AND NON-EXISTING, IT'S ONLY AN ENERGY FIELD THAT'S SIMPLY VIBRATING.

'INFINITY' OF 'NO-THING'.

THERE IS NOTHING THERE, BUT THERE IS ALSO EVERY-THING.

ボォ

"

WE CALL THAT WAVE A "PROBABILITY WAVE".

THIS FOG...

ASSIS-TANT INSPEC-TOR...

.....

ヒュ

ウ

WHAT HAPPEN-ED?

HEY!

ズ!!

ベキ

!!

WAH!

ｻｯ…

THIS FOG IS TOO THICK. SOME-THING IS...

KYAA

ANS-WER ME!

HEY,

WAAAAH

SH...

ﾋﾞｸ

!!

ﾋﾞｸｯ

AA…

ｽﾞﾚﾚ…

SHIT!

THE COMMAND VEHICLE...

信州

POLIC

!

ﾄﾞｷﾝ

!?

ゴロ…

城島司歩
OPEN

BEEP

WHY YOU...

BEEP

ゴロ…

S2Smanga.com

!?

HUFF

HUFF

THIS IS...

WATER?

C...

CHIEF!

.....

WHAT IS IT THIS TIME?!

WAH!

Woooh...

Oooh...

WAA AAA AH!

Shiro told you already, stuuupid.

... A POLICE CAR?!

ゴボゴボボボ

This world is connected to the other side now.

Right now, we can see them and we can put them in their place with the power of the "fog".

ゴゴゴゴ

ゴゴゴゴ

ゴゴゴゴ

7

THEN I CAN FIND MY BODY AND RETURN TO IT...

IF IT IS CONNECTED,

IT GIVES 'POWER' AND 'SHAPE' TO THEM, WHO HAVE NEITHER.

LAKE WATER?

IT'S LAKE WATER FROM YASO-GAMI LAKE.

THIS FOG IS ACTUALLY WATER...

IT REALLY SENDS CHILLS DOWN YOUR SPINE, THIS PLACE...

"IN THE REGION WITHIN THE 'FLJID' DIMENSION W, SPACE AND PERSONAS WERE STORED," IS WHAT'S CONCLUDED IN THE NOTEBOOK.

AC-CORDING TO THE KURODA NOTE-BOOK,

"THE 'WATER' IN YASOGAMI LAKE DOES NOT FLOW BUT REMAINS STILL. THE INCIDENT 21 YEARS AGO CAUSED THAT 'WATER' TO CHANGE PERMANENTLY."

AND THAT WHAT CREATED AND MAINTAINS IT IS THE "NUMBERS".

百合崎士

SENSEI, YOU MENTIONED A "PROBABILITY WAVE" JUST NOW.

DO YOU HAVE A QUESTION?

Z

"

"

S2S

THAT'S A GOOD QUESTION.

IF SO, WHY DOES THE "COIL" THAT SENSEI INVENTED ONLY TAKE OUT ELECTRICITY?

... DOES THIS MEAN INSIDE DIMEN-SION W, THERE'S THE POSSI-BILITY OF ANY-THING?

IF I DROP SOME INK ONTO THE PAPER, WHAT DO YOU THINK WILL HAPPEN?

ink

IS A LITTLE BIT DAMP.

THE PAPER, WHICH REPRE-SENTS DIMEN-SION W,

"

PLEASE IMAGINE A BLANK SHEET OF PAPER AND A BOTTLE OF INK.

THE DROP OF INK WILL QUICKLY SPREAD FROM A POINT ON THE PAPER.

AND THEN

FROM THERE, IT WILL STEADILY SPREAD OUT AS IF BLURRING,

DIMENSION W'S "PROBABILITY WAVE" CREATED OUR VAST AND MAGNIFICENT UNIVERSE FROM THAT VERY FIRST DROP.

THIS IS WHAT I CONCEIVE TO BE HOW THE UNIVERSE BEGAN AND PROGRESSED TO ITS CURRENT STATE.

DIMENSION W HAS EXISTED SINCE BEFORE THE BEGINNING OF OUR UNIVERSE.

NOW, PLEASE IMAGINE AGAIN.

"A DROP BY GOD" CREATED THIS UNIVERSE.

HOWEVER, I WILL NOT REJECT THE VIEW THAT IT WAS AN ACT OF "GOD".

...THIS THEORY UNAVOIDABLY TRIGGERS THE DEBATE OF "WHO RELEASED THAT VERY FIRST DROP?"

S2Scans.com

WHAT KIND OF SPREAD WILL WE SEE THEN?

EVEN IF IT'S ONLY THE TINIEST OF DROPS, ONTO THE PAPER,

IF...

IF WE RELEASE ANOTHER DROP...

ENERGY

百合崎士

ITS DESIGN WILL ONLY ALLOW IT TO DO ONLY THAT.

A COIL...

IS AN INTER-DIMENSIONAL ELECTROMAGNETIC INDUCTION DEVICE. IT IS A DEVICE FOR DRAWING OUT ELECTRICITY FROM DIMENSION W.

ポヲ!!

THERE EXISTS AN INFINITY OF POSSIBILITIES FAR BEYOND OUR IMAGINATIONS!

NO, WITHIN DIMEN-SION W,

BUT WITHIN THE ORIGINAL COILS...

AS EXPECTED, NOTHING'S IM-POSSIBLE FOR "NUMBERS".

HEHE HE...

SINCE WE KNOW THEIR TRUE FORMS...

ウオオ

BURU,

WE'VE GOT GUESTS.

LEIDE,

USE THIS!

ヒュー

ハロ

JUST SPRAY THEM WITH IT.

WHAT'S THIS?

ピッ

YOU'RE DIS-GUST-ING!

YOU ...

TCH!

ワンシルエット

ドン

1P

ドガ

ドゴ

NO MATTER WHAT KIND OF POWER THEY HAVE, WATER'S STILL WATER.

IT'S POWER-LESS IF IT'S FROZEN.

SO COLD!

IT'S LIQUID NITRO-GEN.

NOW MY LEFT HAND'S GOT FROSTBITE!

HEY, BURU! WHY DIDN'T YOU SAY THAT FIRST?

LET'S CONTINUE SLOWLY TOWARD THE THICKEST PART OF THE FOG.

s23manga.com

THE FOG'S ALMOST HERE.

IT'S COMING, MABUCHI!

I DON'T THINK THAT WILL STOP THEM.

YOU NEVER KNOW UNLESS YOU TRY!

YOU GUYS, GO INTO THAT ROOM THERE AND CLOSE THE DOOR AND THE WINDOWS.

ONE THAT'S BEEN MADE.

IT'LL BE A GHOST.

ALL RIGHT, LET'S SEE IF IT'S A MONSTER OR A SNAKE THAT COMES OUT.

S2Smanga.com

IF THE SASAKI SIBLINGS REALLY DO KNOW ABOUT EVERYTHING,

THEN THEY MIGHT ALSO KNOW OF A WAY TO FIGHT THEM... OR SOMETHING.

HM?

U-UMM...

I WAS JUST THINKING...

AND THE SISTER'S BEEN KIDNAPPED, TOO.

BUT THAT GUY'S ALREADY DEAD

IT IS POSSIBLE.

A WAY... A METHOD TO FIGHT OFF THE FOG, HUH?

I'LL PURSUE THEM MY OWN WAY.

WHAT DO YOU PLAN ON DOING?

YOU GUYS GO LOOK FOR THAT METHOD, AND EVACUATE AS MANY PEOPLE AS YOU CAN.

IF IT'S NECESSARY, YOU CAN USE THE PILE OF SCRAP METAL IN MY ROOM.
